

Raymond M Foster Conservation Scholarship Application

The CSF of BGM has an agreement with the Raymond M Foster Estate to grant a scholarship under the following terms:

First, to a graduating senior of BGM who desires to study in one of the fields considered as part of the conservation of the earth and its resources. The CSF of BGM shall determine that field of study. Second, if no graduating senior desires to enter such study, then the grant shall be given to the highest qualifying senior using the normal procedures of the CSF of BGM.

If you wish to be considered for the Raymond M Foster Conservation Scholarship, you and your parent(s) must sign this sheet and turn it in along with the regular CSF of BGM application. You DO NOT have to turn it in if your field of study is not considered as part of the conservation of the earth and its resources.

Our signatures on this page affirm that we believe the field of study below qualifies for the Raymond M Foster Conservation Scholarship. We understand that the CSF of BGM shall be solely responsible for choosing the field of study that qualifies for the Raymond M Foster Conservation Scholarship.
